

(a) Interpersonal Skills aur Teamwork ke Liye Uska Importance

Interpersonal Skills ka Matlab: Ye woh skills hain jo humein dusron ke saath ache se baat karne, samajhne aur kaam karne mein madad karti hain. Jaise:

- Communication (saaf baat karna aur sunna)
- Empathy (dusron ki feelings samajhna)
- Conflict Resolution (ladai ko shaant karna)
- Teamwork (milkar kaam karna)
- Respect (dusron ki izzat karna)

Teamwork Mein Kaise Help Karti Hai?

- Behtar Coordination: Clear baat-cheet se confusion kam hota hai.
- Strong Bond: Trust aur respect se team achcha kaam karti hai.
- Less Fighting: Agar koi problem hai, toh solve ho jati hai.
- Jaldi Kaam Ho Pata Hai: Positive mahaul mein sab efficient hote hain.

Example: Agar team ke members ek doosre ki baat sunte hain, ideas share karte hain, aur problems ko calmly solve karte hain, toh project aasani se complete ho jata hai.

(b) Time Management for Effective Work Completion

Time Management Kya Hai?
Apne din ke 24 ghante ko aise plan karna ki sab kaam time par ho jaye, bina stress ke.

Iske Fayde:

- Smart Work: Pehle important tasks ko khatam karna
- No Last Minute Tension: Kaam chhote parts mein divide karke regular karna
- Work-Life Balance: Time par kaam khatam karne se personal time milta hai
- Career Growth: Jo log time manage karte hain unko promotions jaldi milte hain

Practical Tips:

- To-Do List: Subah 5 important tasks select karo
- Time Blocking: 2-2 ghante ke slots mein kaam divide karo
- Avoid Multitasking: Ek time pe ek hi kaam par focus karo
- Learn to Say No: Jo kaam important nahi hai use skip karo

- Interpersonal Skills: Logo ke saath kaam karna seekho - communication aur empathy important hai
- Time Management: Apne time ko control karo, warna time tumko control karega
